INSPIRING CREATIVITY

Step into 2026 with us as we proudly present the remarkable talents of Rossmoyne Senior High School's Arts Learning Area. This calendar opens a window into inspiring moments throughout the year, bringing our entire school community together to honour our students' achievements.

Our students will embark on enriching programs that encourage self-expression, creativity, and critical problem-solving. Through their engagement in The Arts, they'll build confidence, discover a sense of identity, and gain valuable skills for the future. By nurturing these essential life skills, we prepare our students to thrive in a world full of diverse opportunities, both in the cultural sphere and beyond.

The dedicated Arts faculty at Rossmoyne Senior High School warmly invites you to join us in celebrating our students' creativity and achievements as they make their mark in 2026.

Dance is a vibrant subject that encourages creativity and self-expression. Rossmoyne Senior High School's program, offered from Years 7–12 with both ATAR and General pathways, includes written and practical components. Written work explores dance genres, meanings, and cultural contexts, while practical classes build flexibility, strength, coordination, and musicality across styles such as Jazz, Hip Hop, and Contemporary. These skills culminate in diverse and dynamic performances.

UNIFIED, the school's largest performing arts event, features dancers from Years 8–12 in a professional showcase of Semester 1 works, giving the students the opportunity to perform in a prestigious theatre and share the experience with the Rossmoyne Dance community.

SPOTLIGHT, the Upper School choreography night, presents work by Year 11 and 12 students. General students perform group pieces from choreography classes, while ATAR dancers showcase their self-choreographed exam solos.

GENESIS, the Lower School choreography night, features Years 8–10 performing teacher-devised class works and student-created small group pieces in the Arts Auditorium.

Finally, **MADDD Festival** celebrates excellence in the Arts, inviting top student choreography groups to perform and marking a vibrant end to the Dance year.

Drama at RSHS immerses students in diverse acting styles and performance techniques. Focusing on verbal and non-verbal communication, students explore performance history and gain experience presenting works in both classroom and public showcase events. Drama skills support academic growth and future careers, with students also learning to use design technologies like sound, lighting, costume, and set design. Creativity thrives through study, improvisation, devising, collaboration, and performing.

The Year 9 and 10 **Drama Showcase** is a presentation of student works from Semester 1. Parents and friends are invited to attend this public showcase, featuring student performances in styles such as Italian Theatre, Commedia dell'Arte, Absurdist Theatre, and Youth Theatre.

The **Youth on Health Festival** (YOH Fest) combines Drama education with health awareness, offering a unique, dynamic experience for students. Our students will create performances centred on the year's health theme of "Health is Wealth", competing alongside hundreds of other high schools from across Western Australia.

MADDD FESTIVAL is an eagerly anticipated event that highlights the outstanding achievements of our talented Performing and Visual Arts students. MADDD 2026 will showcase the finest student performances from the entire year, promising an evening of fun, entertainment, and artistic excellence.
